MEMORANDUM FOR: Executive Assistant, Office of Personnel

SUBJECT : Highlights of Activities for the Control Division
for the Week Ending 15 January 1976

I. Highlights of activities for this Division for this week are as follows:

A. Information requested by Mr. Blake for his briefing of Ambassador Bush was completed on 13 January. The charts reflected the average age and grade of the career services and the separation and accession rates of professional and non-professional staff personnel.

25X1 B. Ms. [] ODDI/MGMT, was given a CRT computer produced roster of all Intelligence career designees and personnel assigned to the DDI.

C. D/Pers, for DDA briefing, was furnished the number of super-grades who were PRA as of 31 December 1975 by Directorate. There were 91 with the majority within the DDO.

25X1 D. Mr. [] ODDA, requested and was given information on the slotting patterns within the DDA directorate. This information was to be used in Mr. Blake's briefing next week of Ambassador Bush.

E. The OJCS Support Office submitted a work order on 6 January to GSA for the electrical work for a sonic alarm system for DAC in Room 5D55. The work order also includes a bolt for the door connecting DAC with 5E03, Position Control Section, and should be completed within a few weeks. This work order is ~~as~~ a result of a study by the Office of Security, after it was discovered that both 5D55 and 5E03 were protected by the same sonic alarm system.

F. TRB/Position Control Section has been keeping a weekly count of the number of actions received and the number of errors in these actions. For the week ending 9 January 1976, TRB received 209 actions with 197 errors or a 94% error rate. We will be contacting some of the offices concerned to suggest training with our Position Control Section for their employees.

G. TRB/Position Control Section received the PSI master from OJCS and discovered 24 errors in the projected waiting periods for PSI's in the WG, WL, WS and WP Pay schedules. The errors were generated by an incorrect program. OJCS informed TRB that the only way to correct the errors was to submit Form 560D (Automated PSI Record Adjustment). This has been done and OJCS has corrected the errors, *and the program*,

H. C/TRB submitted the Quarterly Detail Report to the Director of Personnel on 9 January 1976. Mr. [] Office of the Comptroller, plans to use the statistical page of the Detail Report as a supplemental to the Congressional Budget.
